Topics from April's General Meeting

From **Old Business: A.)** a report on the indoor range concerning baffle tender, costs and open items (stuff to finish before inspection) was received. BFD was chosen in a blind bid and began work on the baffles at the end of April and looked to be completed by Friday, May 1st. A work party was scheduled for the Monday, May 4th and they were to install lighting fixtures behind the baffles. (A **big thanks** to **Kevin** for his electrical skills in prepping the range for this type of work.) Open items still remaining are the painting and the renovations of the organizational area of the range. If you would like to help, please see Al Masse, Steve Jamieson, Elliot Blackshaw or Jim Jackson. **B.)** We have a new water well and pump as of April 29th which will pump considerably more water. **C.)** Hugh Carruthers and Bill Jamieson were able to locate and identify the funds specifically earmarked for fish restocking (monies from the old fun tournament). The official amount is \$11 445. **New Business A.)** Steve did some research into our liability and discovered our club will need 100% membership in either OFAH or CSSA to be covered. Thank You

The club would like to thank Bob McIlroy for running Wednesday Night Cards over this past winter and Bob pointed out a number of individuals who aided him this season: Donations were made by Bob Forget (donation of knives), Brian Owen (donation of chili), John McIlroy (donation of meat), and Russell Electric (for donation of prizes). For cooking the dinners we would like to thank Larry Pop, Bill Gardiner and Brian Patterson. If I missed anyone please let us know. This is a great event with lots of club support.

Thanks to Brian Pelkey who has donated a framed print in anticipation of a club raffle.

Event Plans

May 10th's Mother's Day Brunch has been cancelled and in its place we will hold a **Chicken BBQ on Saturday, May 23rd**. The Doors will be opened at 5pm with Dinner around 6pm. On menu will be BBQ chicken, roasted potatoes, corn, carrots and buns. Tickets are available at the bar and from executive members. The cost will be \$10 a plate.

Family / Sportsman's Night has been scheduled for Saturday, June 27th. We plan on running the same games with the possibility of a few new games for younger children...if you have any ideas please share them with us. We are going to need lots of help with this one!

We are also trying to make sure we have something on the BBQ on Wednesday nights for the Trappers. Burgers, Sausage, Kabobs have been working so far...any recommendations? Anyone willing to cook / BBQ is always welcomed.
